He dug it forth from time value, and of the most refined description, to command to time, as he could use it to advantage; and, in fine, so high a price. Is the entente cordiale worth purchasing at that extravagant rate? and has John Bull grown such a mad spendthrift in his epicurean tastes as to be able to spend thirteen millions every year in the mere outlay of "cordials" alone? We can recollect the time when the old fellow spurned such effeminate luxuries, and was all the healthier for it. The British Constitution does not need the support of French cordials.
